

# Direct Entry Information - ELS

## CAMPUS TRANSFER GUIDELINES

Students may transfer from one ELS, ILSC or Greystone campus directly into programs and qualifications at another ELS, ILSC or Greystone campus without additional testing. To ensure students are placed in an appropriate level and program, the Registrations staff must send the following info for all transfer students:

- For ILSC and ELS programs\* - SPR & Transcript – **most current**
- For Greystone - Certificate of Completion or Statement of Attainment
- Requested program or qualification

\*Transfer from ILSC to ELS is available up through ELS level 109. Students must complete levels 110, 111, and 112 at an ELS centre in order to earn a certificate of completion.

## DIRECT ENTRY GUIDELINES

Prospective, current, and returning students interested in a specific level of a program may gain direct entry up through ELS level 109 with an ILSC SPR or Graduation Certificate, an appropriate score on the ILSC ACADEMIC English Placement Test or by submitting an official test score. Results will be accepted provided that they are submitted within the **2-year expiration period** (from the issue/test date up to program enrollment date).

After submission of an official test score, no ILSC ACADEMIC English Placement Test is required. **Only verified scores will be accepted.** See the chart below for direct entry guidelines specific to ELS.
